

Middle & High School Course Descriptions Tues. & Thurs. Enrichment Pleasant Hill Location 2024 - 2025

Art

Throughout the year, students will study the elements of art and apply them in a variety of forms to student-generated works of art. Students will create a portfolio of work, and the year will culminate with an art show where students display their best work.

Government

Through this course, students will study the development and application of the American democratic principles and the United States Constitution. Students will investigate the rights, responsibilities, and duties of American citizenship at the national, state, and local level including political and civic participation.

PE

Students will learn health and wellness core concepts and develop motor skills, knowledge, and behaviors for physical fitness through participation in structured exercises, games, and team sports.

Public Speaking

This course provides instruction and experience in preparation and delivery of speeches within a public setting and group discussion. Emphasis is placed on research, preparation, delivery, and evaluation of informative, persuasive, and special occasion public speaking.
